# **CEDAR PARK RENOVATIONS**

Seattle Parks and Recreation invites the community to join in the third public meeting for Cedar Park Renovation Project. At this meeting participants will have an opportunity to discuss and inform Seattle Parks on the future investment slated for the leased Cedar Park property.

The Parks and Green Spaces Levy allocated funding to renovate Cedar Park in northeast Seattle on land leased from Seattle Public Schools. Recent coordination with Seattle Public School's redevelopment plan has brought forward different options for this space and the joint-use playground/park feature at Cedar Park Elementary.

With the re-opening of Cedar Park Elementary the hours and park improvements will be impacted. Seattle Parks is looking for input on accessibility of space, play area elements and lease options for the future of this Seattle School district property.

Seattle Parks and Seattle Public School staff will be on-site to gather input and to answer questions

Cedar Park is located at 3737 NE 135th Street.
