

JANE ADDAMS MIDDLE SCHOOL

# STEAM FAIR

Jane Addams Middle School  
Tuesday, June 14, 2016  
JAMS Community Potluck & Setup at 6:00 pm  
Exhibits from 6:30 to 8:30 pm

## **Celebrate STEAM (Science, Technology, Engineering, Art and Math)!**

We welcome all incoming JAMS students and their families to join us for an evening of innovative exhibits from students, families and community. Launch a flying contraption into a wind tunnel, design and build a robot, extract strawberry DNA, test earthquake-proof structures, examine natural artifacts and participate in other interactive exhibits throughout the school. Speak to community STEAM professionals or hobbyists and see what our students have been creating.

## **Exciting Student and Community Exhibits!**
