

CEDAR PARK ELEMENTARY

DREAMING AND BUILDING A COMMUNITY TOGETHER
OPENING FALL 2017

What if YOU could help design your child's school?

Sound exciting? Then Cedar Park Elementary may be just the opportunity you are looking for! Cedar Park is a **brand new** elementary option school opening in the fall of 2017. We are looking for students and families who are excited about making our dream for an awesome new Expeditionary Learning school a reality.

We are excited to have the opportunity to build a collaborative school community founded on the 10 principles of Expeditionary Learning (EL). Expeditionary Learning emphasizes **learning by doing**, with a particular focus on **character growth, teamwork and reflection**. Expeditions are designed to to **engage students in projects which interest them** in order to teach the skills and standards of grade level curriculum.

Planning has just begun and all we are missing is YOU!
What are your best ideas about what an elementary school should be?
Please visit our website to find out more about this great opportunity.
All are welcome to come share ideas or just learn more.

We hope to see you there!

**If WE dream it,
WE can build it!**
