

Recommendation for 2017 Golden Acorn Award

For exemplary volunteer service at Olympic Hills Elementary

Olympic Hills PTA will give a Golden Acorn award to a volunteer who has contributed to our children and community in an exceptional way. A Golden Acorn Award is very special and is given for continued and dedicated service.

When we present a Golden Acorn Award, the individual is given a gold pin in the shape of an acorn and a special certificate. We also contribute funds in that person's name to the Washington State PTA Scholarship Foundation for post-secondary scholarships. Each year, over \$60,000 is distributed to graduates of the state of Washington for their continuing education.

Please let us know which volunteer you recommend for this award at Olympic Hills. The PTA awards committee will make the final selection based on these recommendations.

Fill out the form and return to the Olympic Hills office by May 26, 2017
