

AFTER SCHOOL ENRICHMENT PROGRAM

SIGN UP FOR AN AFTER SCHOOL CLASS!

WINTER 2019

January 29 - March 19

****No class Tuesday 2/19****

All classes are on TUESDAYS at Olympic Hills from 2:25pm to 3:45pm.

HOW TO REGISTER

1. Complete the attached REGISTRATION FORM. **Only completed forms can be processed.**

Pick ONE class per student.

Use a different form for each student.

2. Return the registration forms to your student's teacher or the main office by **Tuesday, January 15th.**

3. The PTA will notify you on January 22nd if your student has a spot in an after school class.

4. If your student gets in a class, we will send you a bill on January 22nd.

****Please DO NOT send checks or cash with the registration form.****

5. Some scholarships are available. If you need a scholarship, please mark that on the registration form. Because of generous donations and grants, the PTA is able to offer some 50% and 100% scholarships. If you can pay the full amount, please do so. It will help us continue to provide educational, fun, and engaging after school classes for all students. Additional donations are always appreciated. Thank you.

CLASS ENROLLMENT

Class sizes are limited. All forms received by January 15th, will be processed by lottery and not first-come-first served basis. Late forms will be considered only if space is available. We cannot guarantee a class for siblings.

SNACKS

Students will receive a school-provided snack from 2:30pm-2:40pm before class.

TRANSPORTATION

A spot on a bus is **not guaranteed**. Please request bus transportation on the registration form only if your student needs it. Bus is only available for those already assigned to bus routes.

PICK-UP

After school classes end at 3:45pm. Please pick up your student in the cafeteria. We are unable to offer supervision after 3:45pm.

QUESTIONS?

Please email OlympicHillsPTA@gmail.com or bring a note to the main office. Make sure to include your name, email and/or phone number. Please ask someone at the front desk to put your note in the PTA mailbox.

Keep this page for reference and return only the registration form.

CLASS DESCRIPTIONS - WINTER 2019

BASKETBALL Grades K-2, FEE: \$90

Join One on One Basketball for After School Hoops®. Our experienced and positive instructors will teach your child athletic fundamentals through proven drills, fun competitions and controlled scrimmaging. We will incorporate controlled scrimmages throughout the session to afford the kids game experience as they start to play on basketball teams. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun! (*Class limit: 16 students*)

COLORING CLUB Grades K-2, FEE: \$20

Coloring Club is a fun way for your K-2nd grader to relax and enjoy the fun world of coloring! Each week we will focus on a different color concept or artist while your children get to express their artistic selves. Materials are provided and all skill levels are welcome! If your child loves to color then this club is the place to be! (*Class limit: 15 students*)

CHESS/BOARD GAMES Grades 2-5, FEE: \$20

Students will learn the basic rules of chess and play related games such as checkers or memory. Those who already play chess will have more time to play complete games and will learn strategies for capturing the king. This fun game exercises both sides of the brain, increases creativity, and improves memory, and has been played all over the world for over 1,000 years! (*Class limit: 12 students*)

SCIENCE & ENGINEERING EXPLORATION Grades 2-5, FEE: \$20

In the first half of this class students will identify and test the physical principles that govern the world we live in, exploring topics ranging from energy and electricity to forces and material properties. In the second half of the class, small groups of students will choose a topic to investigate more deeply, develop a hypothesis, design and execute an experiment to test their hypothesis, and interpret the results. Each group will produce a tri-fold poster to be entered in the OHE Science Fair. This class will be open to grades 2-5 with preference given to grades 2 and 3. (*Class limit: 12 students*)

CREATIVE CODING Grades 3-5, FEE: \$189

Creative Coding teaches your child to code by helping them make their own custom video games! Our project-based, multi-level classes are amazingly fun yet very effective in teaching creative problem solving AND emotional resilience. Your children will experience the emotional cycle of Coding (idea->excitement->effort->frustration->more effort->triumph!) with our support and positive encouragement. Students new to coding will learn the fundamental elements of coding using MIT's Scratch. Students with previous Scratch experience will enjoy the Advanced Curriculum, where each day contains a unique mix of coding challenges, techniques, and hacks. (*Class limit: 14 students*)

HIP Academy Food Club Grades 4-5, FEE: FREE (*donations to the PTA are welcome*)

HIP Academy is excited to be coming to Olympic Hills, and will be coordinated by Hunger Intervention Program's Americorps Members, Trisha and Sam. HIP Academy promotes a healthy lifestyle for students by encouraging the intake of nutrient rich foods. With an aim to develop an understanding of basic nutrition, HIP Academy builds basic kitchen skills while also providing a very basic introduction of food justice and food systems. This is done through hands on snack preparation, games, stories, and fun activities. The program will allow students to practice cooking techniques, while also deepening their understanding of health, nutrition, and where our food comes from! (*Class limit: 15 students*)
